DETAILED ACTION

Terminal Disclaimer

The terminal disclaimer filed on July 15, 2004 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of 6,637,910 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

Claims 1-5 and 25-35 are allowed.

The following is an examiner's statement of reasons for allowance: Regarding claim 1 as amended now read over the prior art of record. Claims 2-5 are allowed because of its dependency upon claim 1.

Regarding claim 25, the terminal disclaimer as cited above overcome the obvious double patenting rejection and claims 26-29 are allowed because of its dependency upon claim 25.

Regarding claim 30 the limitation of the claim is the same as allowed claim 1 with the addition of including a light emitting diode and claims 31-35 are allowed because of its dependency upon claim 30.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John A. Ward whose telephone number is 571-272-2386. The examiner can normally be reached on Monday - Friday.
